Tremblay, formerly of Barre, to know that he has improved in health greatly since going to Maine and is building a bungalow in his home town, Buckport, Me., which they expect to occupy the coming winter. It will be their permanent residence.

The singing of Evelyn Scottney, who was here last season with the Boston opera company, will long be remembered by music lovers who attended that performance. Miss Scottney, assisted by Howard White, also of the Boston opera company, Karl Barleben, violinist, and Frank Waller, came to the opera house on Thursday night, Sept. 25. Tickets go on sale at Kendrick's Tuesday morning.

The members of the two hose running teams from Barre, who participated in the contests at the state fair last week, the Granite City team winning third position and the Barre City team also beating the time of the other Vermont teams, feel well satisfied with their treatment at the fair and during the contest. Moreover, they are confident that with the development which they expect to make with hard practice another year they will be able to beat out all entrants for the prizes. It will be remembered that three of the four prize winners were teams outside of the state. The time which the two Barre teams made was very good and but little short of the time made by the first prize winner. Altogether, the Barre men brought back \$110 in money. In the ladder-climbing contest, which consisted of a 50-foot run and 30-foot climb, there were four men tied for first money, and two of the four were from Barre. They were Ralph Tobin and W. A.
